### **Advice on the importance of a course overview and introduction**

Hello, my name is Janice Florent, Technology Coordinator in the Center for The Advancement of Teaching and Faculty Development. I would like to welcome you to module 3, Assessment and Measurement. After completing this module you will be able to design assessments that will measure the achievement of your learning objectives; develop criteria for evaluating assessments that is clear; design assessments that are sequenced, varied and suited to the level of the course; and construct your course such that learners will have multiple opportunities to track their learning progress with timely feedback. Now continue on in this module to learn more.
