### **Advice on the importance of a choosing technology with intention**

Hello, my name is Janice Florent, Technology Coordinator in the Center for The Advancement of Teaching and Faculty Development. I would like to welcome you to module 6, Course Technology. After completing this module you will be able to select course technology that supports your learning objectives; that promotes learner engagement and active learning; that adheres to local institutional or personal policy standards for protecting the collection and use of student personal data. You'll also be able to design your course using a variety of technology. Now continue on in this module to learn more.
